

## Exhibitor Opportunities

Make plans now to participate in the annual **I-90 Corridor Aerospace Conference and Expo!** The conference will take place on **May 30-31, 2017** at the **Coeur d'Alene Resort** in beautiful **Coeur d'Alene, Idaho**. This event will highlight the aerospace manufacturing capabilities of our region and focus on developing the supply chain through expanded business-to-business opportunities.

The Expo is the perfect opportunity for you to showcase your company's products and services to the Inland Northwest's aerospace manufacturers. Last year, the conference had 200 attendees and over 30 exhibitors. This year will be even bigger and better.

Our exhibit space is designed to be very interactive and will be located in a high traffic area adjacent to the conference space. New this year will be designated expo times to allow attendees to visit expo booths, while giving exhibitors the opportunity to listen to key note addresses at other times during the day.

Exhibitor booths sold out last year so we have expanded our expo space, but you will still want to reserve your space early. Reservations will be taken on a first come, first served basis. Please see the attached "Exhibitor Information" for more details.

Standard Booth (8' X 10') \$500

Large Booth (8' X 16') \$1,200

To become an exhibitor, visit <https://i90aerospace.regfox.com/2017> or contact event coordinator, Bob Didocha, at [bdidocha@amn-usa.org](mailto:bdidocha@amn-usa.org) or 208-503-6313.

**Bonus Opportunity on June 1:** Take key customers or your team golfing at the world-renown Coeur d'Alene Resort Golf Course. Special rates apply and lunch will be provided.

See the conference website for details and to register.

### EXHIBITOR INFORMATION

#### Standard Booths\*

- 8' deep x 10' wide booth consists of a 10' wide back section of cloth trade show drapery with 3' high side drapes extending out 8' on each side of the booth. Drapery color is Royal Blue (see image below).
- Each booth includes one 24 inch wide by 6 foot long Royal Blue skirted table topped with white vinyl and 2 chairs.
- Each booth includes 500w electrical connection (5 amps, 110 volts).
- Shared 2MHz WiFi is provided. Dedicated 2, 5, and 10 MHz WiFi priced on request.
- On advance request, two adjoining booths can be combined into one 8' deep by 20' wide with no separating rail/side drape between them.

\*For non-standard requirements including additional furniture, additional utilities or set up assistance, contact the Design Events coordinator: Mary Ransdell 208-765-2595 [MaryR@designevents.com](mailto:MaryR@designevents.com)  
 Additional costs for non-standard requirements are contracted directly with Design Events and paid to Design Events.
