

2017 I-90 Corridor Aerospace Conference and EXPO Sponsorship Opportunities

The **Inland Northwest Aerospace Consortium (INWAC)**, the **Idaho Aerospace Alliance (IDA)** and the **American Manufacturer Network (AMN)** are pleased to once again join forces to present the I-90 Corridor Aerospace Conference and Expo. The conference will take place on May 30-31, 2017 at the Coeur d'Alene Resort in beautiful Coeur d'Alene, Idaho. This event will showcase the aerospace manufacturing capabilities of our region and focus on developing the supply chain through expanded business-to-business opportunities.

Sponsorship Opportunities

We invite you to become a sponsor of this top-notch event that brought 200 business and community leaders together in 2016. We expect an even bigger turnout in 2017 and are expanding the size of our Expo after all 33 spots sold out last year. Sponsorship is an excellent way for your organization to:

- Support the industry
- Increase your brand awareness among participants and exhibitors
- Make key business connections.

By becoming a sponsor, you will enable us to present a dynamic program that will provide valuable insights and information to regional aerospace companies. In return, sponsors will receive wide visibility including recognition in conference materials and onsite at the event.

Sign Up Today

Please review our list of available opportunities and return a completed "Sponsor Opportunities" form, along with your desired method of payment to:
